Subject: FW: Pebble Project Cooperating Agency Technical Meeting Agenda
Attachments: Microsoft_Teams_InstructionsV2.docx; March_2020_Technical_Meetings_Agenda.docx

Hello Pebble NEPA team –

Below and attached is information about the NEPA technical meetings that will occur next week in Anchorage. The meetings will be on Monday – Wednesday. We are anticipating an agenda for 404-related meetings on Thursday and Friday, but have not received it yet.

Please review the agenda and plan to participate in sessions that involve your special expertise. Though you are welcome to participate in any other portion of the meeting.

I have two requests, by COB today.

- 1) To get a sense of our participation, please let me know which of the following sessions you will be participating in (see attached agenda for details):

Monday

General including Alternatives

Climate change

Wetlands

Vegetation

Tuesday

Water quality

Surface water

Air quality

Geohazards and spills

Wednesday

Fish & Wildlife

Mitigation & subsistence

- 2) Anchorage folks – please let me know if you plan to participate in person. If you are participating in person, let me know if you want to purchase the lunch that will be supplied each day.

I was planning to travel to Anchorage, but decided to cancel my trip due to the situation in Seattle and will be participating remotely.

In a separate email I will forward you the list of discussion issues that we sent to the Corps.

Please let Molly or I know if you have questions.

Best Regards
Patty

Subject: Pebble Project Cooperating Agency Technical Meeting Agenda

Dear Cooperators,

Attached is the Cooperating Agency technical meeting agenda for March 9-11. The agenda incorporates the topics with remaining questions identified by Agencies. The intent of the meetings is to have the experts from the Agencies have an opportunity to engage and ask clarifying questions on the analysis prior to the Agencies submitting the comments on the pFEIS on March 23, 2020. Thanks for your assistance and we look forward to having productive discussions again on the EIS.

The meeting will be at the same location as the November meetings, The Megan Room, 6591 A Street, Anchorage, AK 99518.

<https://www.themeganroom.com/>

The meeting screen (video) will be shared via Microsoft Teams. The meeting audio will be shared via teleconference phone line. Please do not attempt to join audio via Microsoft Teams on your computer; the feedback is an issue for audio quality. Instructions are attached for both video and audio access. Remember to unmute yourself (press *6) to speak on the teleconference phone line, or you can type comments and questions in the Teams chat box. Be sure to start the video/audio connection a few minutes early to allow time to connect and test your access.

The room will be open at 8am. The meetings are scheduled from 8:30am to 5pm. Lunch will be provided (payment accepted as required). Lunch is scheduled from 12-12:30pm. Morning and afternoon breaks are scheduled.

Please forward this email to all participants from your agency that are not on the To: list. I will send an updated meeting invite (via Outlook).
